

Information for exhibition Managers

NEWPORT ROAD

A fictional 00 Gauge DCC Sound Layout based in the 50s/60s era .

Newport Road is a fictional setting with a station, two sidings and a coal merchants. British Railways Steam and Diesel Locomotives frequent Newport Road on a daily basis.

The layout is DCC operated. measuring 7ft long x 18inch including fiddle yard. All locomotives are DCC sound fitted with a mix of Steam & Diesel.

Space Needed

One table will be sufficient for stock and i will provide my own seat. The layout is 7ft long x 18" wide. The layout is controlled from the back so space will be needed at the back for myself and a table.

Electrical

Two power points needed, one for the layout and one for the separate lighting system.

Expenses

The layout is transported in my car and i will require fuel costs covered from Aldershot, Hampshire. I am happy to travel up to 3 hours away for one day shows and up to 2 hours away for two day shows. The layout is operated by myself. i would need help to cover toilet breaks. No overnight accommodation will be required.
