

# The Whistleblower

## June edition

So we are back in the Wrecclesham Community Centre, with no curtains it does echo a bit, new ones are promised. The M.P. for Farnham, Jeremy Hunt, with Family performed the opening ceremony and planted a tree in the resurrected garden adjoining the road. This garden is part of "Farnham in Bloom".

As you re all aware the O-Gauge Open Day had to be held at the Leverton Hall because the building programme had over-run (surprise surprise). The event went of quite well as usual making a smaller profit this year because of the extra costs.

The P4 Group took Brixcombe to the EM exhibition at Bracknell and received several compliments as well as enjoying themselves
