

## F&D M R C - Modelling Competition 2020

This annual event is usually scheduled every September. For 2020 the Covid19 requirements have dictated an on-line approach, with photographs of Entries being examined and voted for by members online and the results announced at the December AGM. The competition remains the premier opportunity for the Club's Members to take part and demonstrate their modelling skills at all levels.

### Categories (open to scratch built, kitbuilt or modified proprietary models):

A - **2mm** scale locos and rolling stock - N and 2mm finescale

B - **4mm** scale locos and rolling stock - OO, EM, P4 finescale,

C - **7mm** scale locos and rolling stock - standard & narrow gauge

D - "**OO9**" locos and rolling stock

E - "**Other**" scale locos and rolling stock (From Z to Gauge 3)

F - **Trackside/Scenic** features (Any scale) - a railway/scenic feature less than 2 ft sq.

Entries in all the above Categories will also be judged for Best in Show and, where qualifying, the Younger Modeller award.

### Rules of entry

- All Entries must be owned by Club Members and, if relevant, fit to operate. The Entry will take the form of one or two electronic 'photographs' of the model together with a short written description. The photographs do not have to be taken by the Member, but should not have undergone computer manipulation beyond simple correction of lighting and focus. This is NOT a photographic competition!

- A completed online 'entry form' must accompany each Entry. Entries also qualifying for the Younger Modeller category (under 26 yrs) should indicate this on the form.

- Members are not limited to a single Entry. Entries will be anonymous.

- The closing time for submission of Entries will be 23:59 on 24<sup>th</sup> November. All Entries will be available for view online from 00:01 on 27<sup>th</sup> November. Online votes must be submitted by 23:59 on 7<sup>th</sup> December.

- Voting will be by filling in an online form which will be sent to all Members. They may vote for the Entry they consider best in each category. They are also invited to vote for Best in Show and best Younger Modeller entry.

- The winner of each Category, Best in Show and Younger Modeller will be that with the most corresponding votes recorded online. The results of the competition will be announced at the Club AGM on 9<sup>th</sup> December.

- The adjudicators (on eligibility or other dispute) will be appointed before the event.

**Best in Show** – The recipient will receive the Club shield and a bottle of wine.

**Category winners** and **Younger Modeller** - will have custody of the appropriate trophy for the following 12 months.
